

Technology Contract

I, _____, agree to use my technology according to the points listed below.

1. I will only use my device for note-taking and studying purposes. I will not play games, surf the internet, or send text messages during class or school hours.
2. My homework, tests, and quizzes will continue to be handwritten on paper.
3. I will not share my device or password with any of my classmates.
4. I will download my notes at home, if I choose to go that route. I will not expect Mrs. Baker to provide me with handouts.
5. If I do not bring my device to school or it is not charged, I will take my own notes on my own piece of paper.
6. I will use my device only for good.
7. If Mrs. Baker finds that I have not been using my device as instructed, she can revoke my permission to use the device in class.
8. I understand that this technology privilege is just a privilege and circumstances may cause this privilege to end.
